

“Code Girls”

by Bill Lohmann, *Richmond Times-Dispatch* Oct 29, 2017

THE LINE OF FAMILY, friends and fans curled out the door as Dorothy Braden Bruce — seated at a table, the center of attention — laughed and cracked jokes, shook hands and gave hugs, autographed books and smiled for photos. All in all, a pretty decent way to spend an afternoon for someone who is 97, even if all the hoopla left her too excited to eat lunch. “Fame is so hard on me,” she said with a laugh.

Bruce seemed to thoroughly enjoy her moment in the spotlight Friday afternoon at Spring Arbor, the Midlothian assisted living facility where she resides. The occasion was a reception and book signing for “Code Girls: The Untold Story of the American Women Code Breakers of World War II.” Bruce was one of those code breakers, and she plays a central role in the new book by author Liza Mundy, who traveled from her home in Arlington County for the event.

WINTER IS OFFICIALLY OVER!! Well per the calendar it is. There is still a chill in the air and a threat of snow here and there but warmer weather is on the horizon. I can't wait to hang up the coat and close the closet door for several months.

The beauty of the earth is beginning to come in full color. Trees and shrubs are budding and flowers are breaking ground. Yards are greening up and some may have already had to get out the lawnmower and cut your grass. Right now I only have onions to cut so I'm waiting a little longer to get in the routine of yardwork for the year.

Along with spring comes the Easter Season. Holy Week is soon and I hope each of you have time to remember the events of that week. Sunday, April 1, is Resurrection Day. Our Lord gave his life for each of us and that is something we should never forget. He Is Alive!!

Sadly we continue to lose Veterans and as of this edition have lost two of our Past National Commanders. Both PNC Walt Spangler and PNC Max Schmidt served outstandingly in their positions and contributed immensely to the 80th Division Veterans Association. We all will miss them and their guidance and knowledge that they passed to present Association Members. Please keep all the families of those that have passed away in your thoughts and prayers.

The 99th Reunion of the 80th Division Veterans Association is fast approaching and plans are to have a reunion that we

will remember for a lifetime. Reunion Chairman Brian Faulconer has provided information in this edition of the 80th Blue Ridge Service Magazine. I hope to see everyone there. Make your plans now and get your family involved and bring them along.

Our military continues to serve all over the world and not all are able to take their family with them. Continue to pray for our country and leaders.

I really need your input for the magazine. Send me your story or the story of a loved one or maybe a friend. It doesn't matter when you served or how long you served. Your story matters and others enjoy reading about you.

Unfortunately, 63 members were dropped from our membership for nonpayment of dues. Some may be deceased but some have just not continued to pay their dues. If someone tells you they have not received their copy of the magazine, ask them if they are current with their dues. The mailing label shows either Life or the year you are paid through. It would be wonderful if all our annual members were paid through 2018 or beyond. Call me anytime to verify your status.

Continue to send me your change of address, phone number, email address, etc. I want to be able to contact you if needed or if someone is looking for you.

GOD bless each of you and remember the 80th "Only Moves Forward"!!

99th Annual Reunion of the 80th Division

Brian Faulconer
Reunion Chairman

Get Ready to Have a Great Time in Roanoke, VA. For the 99th Annual 80th Division Veterans Association Reunion Event!

Here we are in March and spring has come in like a lion! The 99th annual reunion is just a few months away and we have an exciting 4 days planned for you. I personally look forward to seeing all of you again and hope everyone can make it.

This year the reunion will be held in beautiful Roanoke, VA also known as the "the heart of the blue ridge." Please mark your calendar for August 15-19th. The Sheraton Hotel and Conference Center is both vet and pet friendly and will be our host hotel. We invite all veterans, descendants of veterans, family and friends to join our reunion celebration.

Registration will be available Wednesday morning and daily through Friday evening. Continuing tradition, the prize tables will be readily awaiting your contributions and there will be a special door prize drawing for the highest spender! The reunion lends itself to sharing memories of loved ones in wartimes, learning how to find information about our vets and discovering new connections we didn't know about. This

year we would like to give you an opportunity to tell your veteran story to others. We will have easels and/or poster boards made available to create a simple and short timeline for you to share if desired (more to come on this in the call to reunion letter). Please indicate on the registration form if you would like a whiteboard. The commander's reception will take place Wednesday night with our executive council meeting convening Thursday morning and the business meeting on Friday morning.

Thursday is an open day to explore the wealth of activities and scenery that Roanoke and the surrounding area has to offer. Within an hour or less driving distance, you can visit Natural Bridge, the renown Blue Ridge Parkway, Thomas Jefferson's Poplar Forest, The Booker T. Washington National Monument and the Virginia Military Institute museum. The hotel will have free shuttles for everything within a 5 mile radius which includes all the restaurants downtown, the malls and the Virginia transportation museum. For those that would like a group tour of this museum, please indicate on the registration form. A buffet dinner will be provided that evening and a speaker will be selected soon.

Friday activities will be held at the hotel. We will have several guests visit throughout the day. Kenny Rowlette from the

Commander's Message

PAUL STUTTS National Commander

WINTER CAME IN HARSHLY for many of us this year and “Nor Easters” are still dealing misery up and down the coast as this is written. Our prayers are go out to all in the path. Each time I feel the wrath of winter, my thoughts go to those who survived the terrible winters of war.

Brian Faulconer is putting together another fine reunion for us this year in Roanoke, VA. In the future we're looking at Richmond, VA again for our 100th Anniversary Reunion. The 80th Training Command (TC) has expressed interest in joining with us again as we did with them for the 80th Division Centennial celebration. What better place to have it than in the cradle of the Division. Our future depends on WWI and WWII families, the GWOT veterans and current Training Command veterans. We continue to explore ways to “pass the torch.” Remember... *Any person who is a relative of an 80th Division Veteran qualified for membership ... shall be eligible for full*

membership in the Association. This includes from the time of reactivation in 1950 forward, when any 80th Division Soldier has served.

I and other officers continue to receive calls and emails requesting information about a father, grandfather, or brother who served. One case this year we have communicated with the son of an Ebensee survivor who wants to meet his father's liberators. Our website, Andy Adkins (website architect and WWII Historian) and Dr. Lee Anthony (WWI Historian) are great resources assisting these people.

Being the son of an 80th Division veteran, I often think about the experiences of my father who served with the 317th 1st Bn HQ Co from Aug 44 – Sept 45, those who served in WW1 and most recently participated in the Global War On Terror. I was been honored to be a member of the 80th Division Descendants Association and even more honored to a full member of this Veteran's Association. The sacrifices these men and women have made to insure we live in a free country will never be taken for granted. The association relies on its officers and people willing to step up and get involved. Are you one of them?

May GOD bless each of you and remember the 80th “Only Moves Forward”!!

See you in Roanoke!

99th Annual Reunion... CONTINUED

Jerry Falwell Library will talk about their oral history project and has offered to interview our veterans. That afternoon we will have the memorial service which will be led by our Chaplain Doug Knorr. There will be a buffet style dinner and we are working to finalize a fantastic speaker. (More details to come).

On Saturday, we have an exciting day planned with a trip to the D-day memorial in Bedford, VA. Thirty-four Virginia National Guard soldiers from the town of Bedford were part of D-Day. Nineteen of them were killed during the first day of the invasion, and four more died during the rest of the Normandy campaign. The town and the “Bedford Boys” had proportionately suffered the greatest losses of the campaign, thus inspiring the United States Congress to establish the D-Day memorial in Bedford. We will begin with a short memorial service led by our chaplain, Doug Knorr. A bagpiper will provide music. Tour guides will facilitate and golf carts will be available for those that don't prefer to walk. Our tour will last about an hour and end at the visitor center for an opportunity to purchase gifts. We will make our way into town and have a leisurely lunch at liberty station. Afterwards, we return to the hotel. That evening we have our culminating dinner with color guard and a band. Our keynote speaker will be Dr. Edward Lengel. He was Chief Historian of the White House Historical Association and a co-recipient of the National Humanities Medal. His books, such as “To Conquer

Hell: The Meuse-Argonne” and “Thunder and Flames,” have been honored with the Army Historical Foundation Distinguished Book Award. He will talk about the 80th involvement in WWI.

What do you need to do?

1. Please complete the registration form found within this issue of the newsletter. Attach your payment to the completed form and mail back to the address provided.

2. Reserve your hotel room by calling 1-800-325-3535 or use the webpage link that will be available on our Facebook and website. Be sure to indicate 80th Division Veterans association annual reunion to get the special rate of \$99 plus tax. Specify your room type (handicap accessible if desired). Wi-Fi and parking are free. The rooms will have refrigerators and are pet friendly. Breakfast for 2 people each day is included in the room rate. Be sure to reserve your room by July 15th, 2018 to get the special rate.

3. The hotel is 2 miles from the Roanoke airport and the hotel shuttle runs on demand. You may use the airport phone to request the shuttle. Should you need to make changes to your reservation, there is a 72 hour cancellation policy.

4. Dress Appropriately- Virginia summers are typically very hot and in the mid 80's with high humidity!

QUESTIONS? Phone or text 919-986-0186 or email: bfaulconer@me.com

THE INTEREST IN THE HISTORY of the 80th is increasing, probably due to the commemorative activities relating to both WWI and WWII. Andy and I are receiving more requests for photos, particularly for WWI. Unfortunately, there are relatively few personnel rosters with which to identify the individuals in the unit photos. Still, we have had a few lucky finds, which were greatly appreciated by the inquiring families.

At this moment, we have an historic display in the Bedford, VA museum, and just concluded a display at Lynchburg College (soon to be Lynchburg University or University of Lynchburg). Another is planned to begin in late May in the Salem, VA museum.

We still have no political support toward having the State Department release the Gray Ladies' Chapel from the old Walter Reed campus, to be taken down, moved, and reassembled at the D-Day Memorial site. If anyone has the ear of Secretary Tillerson or President Trump, please let me know.

I have tentative plans to visit the National WWI Museum in Kansas City in April.

I also hope to visit France this year, primarily in the Meuse-Argonne, from 21 September through 8 October. If anyone is going to be in that area during this time period, it would be great to tour together.

As we spend more time cataloging personal effects of these long-gone heroes, it seems to me that History students might take one soldier's mementos and put together a life story, which could be presented in a Power Point to their fellow students, and even to the public at large.

As you probably know, MG McLaren, Andy Adkins, and others, is placing the Col. Porter videotapes of the WWII veterans into the 80th web site. This is a great historic addition! May I suggest that we now initiate a project to carry out historic video tapings of post-WWII personnel?

Great progress is being made by our officers (Commander and Vices) in preparation for the August 2018 80th Division Veterans' Association meeting in Roanoke, VA. Of course this meeting will be held approximately one hundred years from "the 11th hour of the 11th day of the 11th month of 1918." We remember with grateful hearts the sacrifices which were made to defend Liberty and Freedom in the war of which French Premier Clemenceau commented, "This war, like the next war, will be the War to End All Wars."

Accompanying this report are pictures from the Bedford and Lynchburg sites, showing appropriate military artifacts on display.

I am pleased to report that Dr. Kenneth R. Garren, President of Lynchburg College (a former student to of mine), pursued a parallel career in the 80th Division, retiring as a Colonel. His Maestro, Dr. Oeida Hatcher, and staff put on a fabulous symphony/historical event which I will always remember.

Remember, 15-19 August in Roanoke!!

80th Division WWII Veterans – Video Interviews and Archival Footage (WWI & WWII)

By Andy Adkins

During the 2001 80th Division Veterans Association Annual Meeting in Hampton, VA (August 24-25, 2001), COL(ret) Grant Porter sat down with several 80th Division WWII Veterans and recorded their stories. This project was carried through by MG(ret) John P. McLaren and COL(ret) Brydon Jackson. These extraordinary interviews of the men who fought with the 80th Division during WWII will never be forgotten.

Hear first-hand from 80th Veterans:

Angelo Barone	Lloyd Bowes	Ed Bredbenner	Bob Burrows
Don Davis	Lou Engelke	Frank Gerone	Bill Lainge
Renaldo Martin	Bob Murrell	Gerald Virgil Meyers	Dempsey Pappas
Eric Reilinger	Robert Smith	Jerry Spellman	Paul Wiedorfer

All of these video interviews are on the 80th Division website: www.80thdivision.com.

In addition, COL(ret) Porter captured several different 80th Division archived tapes onto video, which include both WWI and WWII archival footage. These are both online as well.

Last, but not least, MG Douglas Dollar provides an overview of the 80th Division Training Command.

Thanks to all who were a part of capturing this amazing video Oral History Project!

Walton Spangler – My Dad

By Karen Kelley

WHERE DO I BEGIN to tell you about Dad, Walt Spangler. He was the most kind, caring and dedicated person and the best Dad. Always there for any of his 3 children with words of encouragement and support.

Dad was the second oldest of seven children. He grew up farming and lived his life on a farm with the exception of about 15 years when we lived “in town”. But, even during those years, he continued farming by helping on his father’s farm.

Dad was drafted in August, 1944 at the age of 19. In February, 1945, he was shipped overseas on the USS West Point, aka, USS America. He was assigned as a Replacement to a squad that was down to 4 soldiers when he and 2 other men arrived. Dad was a Browning Automatic Rifleman. They fought their way across Germany and ended up in Vocklabruck, Austria when they were told the war was over. Later they were moved to Frankfort, Germany. The Army was asking for all men over 5’10” tall to be assigned to one group. Dad didn’t know why, but since he was 6’2”, he was included in that group and ended up in Nurnberg as a guard at the homes of the judges in the War Crimes Trials. Dad was back on U.S. soil and discharged on July 1, 1946. He was awarded the Combat Infantry Badge, 1st Bronze Star for Heroism in ground combat, 2nd Bronze Star for Meritorious Achievement in ground operations against the enemy, Army Good Conduct Medal, European African Medal (Germany) and the World War II Victory Medal.

He and Mom married on March 2, 1947. They celebrated their 70th anniversary last March, 2017.

Something you may not know about my Dad, was that he was elected Sheriff of Pickaway County, OH, from Jan., 1961 through Dec. 1964. We were provided with housing during his time as Sheriff and the residence was in the same building adjacent to the county jail. Our bedrooms were one locked door away from the prisoners. (Yes, almost just like The Andy Griffith Show with Barney bunking in the back room.)

In 1976, after 15 years, Dad purchased the farm down the road from his father’s, my Grandfather’s, farm and returned to farm living. He and my brother have farmed Dad’s land together for some time. Until the past few years, Dad could be seen on the tractor taking care of his crops.

Dad was very civic minded and belonged to many organizations such as WWII 80th Division Veterans Association, Rotary and The Gideon’s International, just to name a few.

Dad has been attending the 80th Reunions since about 1988. He hosted the reunion in Columbus, OH in 2005. My sister and I had the privilege of helping him organize the event. I feel like this was when I realized how important this group of veterans were to him. He was National Commander in 2006. I began attending the reunions with Dad and Mom in 2010. Dad never talked much about his time in the War while I was growing up, but he began opening up more in the past 10 – 15 years about some of his experiences. However, I learned so much more while attending these reunions with him and went

home each year with new stories from his time in battle.

Dad loved spending time with family...especially his grandchildren and later his great grandchildren. They were a joy to him! He told me shortly after I had my first child “If I knew being a Grandparent was so much fun, I would have done that first”. I’m not sure what that says about his children.

This past year was a tough one for Dad. He had some health issues and had multiple hospital stays between Oct. 17 and Jan. 1. He lived over 92 years and we were lucky to have him as long as we did. He lived his life for his God, Family and Country. You couldn’t ask for a better role model for his children, grandchildren and great grandchildren.

WALTON SPANGLER

He graduated from Walnut Twp. High School May, 1943. He attended Ringgold UM Church where he has been a life-long member, Sunday School teacher, Sunday School Superintendent, Lay Leader, Choir Member, Trustee, Chairman of Pastor Parish Relations Committee, President of Church Council and continued to be an active Rotarian, serving as President serving in 1977-78 and served on the Board of Directors at the Savings Bank in Circleville, OH for 40 years.

He served in the U.S. Army from August 16, 1944 – July 1, 1946. He was awarded the Combat Infantry Badge, 1st. Bronze Star for Heroism in ground combat, 2nd Bronze Star for Meritorious Achievement in ground operations against the enemy, Army Good Conduct Medal, European African Middle Eastern Campaign Medal with 2 battle stars, Army of Occupation Medal (Germany) and the World War II Victory Medal. He farmed in Washington Twp., was Pickaway County Sheriff from 1961-1964 and retired from Pickaway County ACSC Office with 22 years of service. He was a member of Buckeye State Sheriff’s Association and National Sheriff’s Association, Rotary, Gideon’s International and WWII 80th Division Veteran’s Association where he held the office of Past National Commander. Walt kept busy over the years public speaking, sharing his WWII stories with students honoring Veterans on Veteran’s Day, attending and speaking at several Memorial Day Celebrations over the years, and sharing with other church congregations on Sunday mornings representing the Gideon’s. The Spangler’s enjoyed time spent with their family, especially their great-grandchildren.

How to apply for your reserve component retirement

By Vance Crawley, Chief, Reserve Retirements Branch, U.S. Army Human Resources Command

FOR YEARS, HUMAN RESOURCES COMMAND (HRC) mailed retirement applications to grey area Retired Soldiers when they turned age 59. On Oct. 1, 2014, the Reserve Component Retirements (RCR) Branch discontinued this practice to save money. Half of all applications that Human Resources Command (HRC) mailed were returned because the Soldiers had moved and didn't update their mailing address at HRC. Grey area Retired Soldiers must now either download a retirement application from the RCR website at <https://www.hrc.army.mil/TAGD/Reserve%20Component%20Retirements> or request that RCR email or mail an application to them. Grey area Retired Soldiers also now have the option to email or fax their completed applications in addition to mailing them to HRC. It is very important that grey area Retired Soldiers keep their address and personal information updated with Human Resources Command whenever it changes. Updates can be made by calling HRC at 888-276-9472. You may also update your information by logging into the HRC record portal at <https://www.hrcapps.army.mil/portal/> using your DS login. Once signed in, select Reserve/Retiree/Veteran record and select edit in the contact information field to update. Grey area Retired Soldiers should submit their retirement application to HRC no later than 90 days prior to their 60th birthday and no earlier than 12 months prior to their 60th birthday. Grey area Retired Soldiers who believe they may be eligible for a reduced age retirement based on the National Defense Authorization Acts of 2008 and 2015 must apply for retirement early. For more information on reduced age retirements visit RCR's website at <https://www.hrc.army.mil/content/REDUCED%20AGE%20RETIREMENT>.

MR. MAX R. SCHMIDT, 91, of Greensboro, died Saturday, December 16, 2017 at Wesley Long Hospital. A funeral mass will be held Thursday December 21st at 2:00 PM at St. Pius X Catholic Church by Monsignor Anthony Marcaccio. Burial will full military honors will follow at Westminster Gardens. Max was born June 28, 1926 in Brooklyn, NY, the son of August William Schmidt and Rose Schindler Schmidt. Max was a combat infantryman, attaining the rank of staff sergeant, and served in the 80th Infantry Division of Gen. George S. Patton's Third Army during World War II.

This experience led Max to dedicate himself to helping fellow veterans and as a part of that was the Santa Claus at the annual Christmas party at the Veterans Mental Hospital in Northport, NY while a resident of that state. Upon moving to North Carolina in 1970 he continued to be an active member of the American Legion and the VFW furthering his role of helping veterans. Max was a graduate of City College of New York and retired from Lorillard Tobacco Company where he was the traffic manager.

He was a member of St. Pius X Catholic Church and was active in the Knights of Columbus. Furthering his belief of putting others before himself, Max volunteered for Saint Vincent De Paul Society delivering furniture to those in need. Max was
