## An Announcement

**T**HE following pages present more clearly than can be done in any other way the policy of this magazine. Suffice it that **SERVICE** is for all who served in those stirring days of one year and more ago. From month to month it will be apparent in what ways the periodical can and will be of assistance to every man and woman who had a share in the burden of the war. It's true that the magazine had its inception through one divisional veterans association, the Eightieth, but that bars nothing interesting concerning any unit or individual who served elsewhere. The magazine has no propaganda to push, no funds to raise, no "drives" to foster. Its only ambition is to serve and to entertain. It isn't published as a money-making game, for "profits" are to go back into the magazine itself and into no other fund. The staff itself is composed of overseas line soldiers of three divisions. **SERVICE** is more than anxious to hear from the former soldier, sailor and marine—the man who got overseas and the man who didn't. It's interested just as much in the mothers, wives and sweet-hearts of these men. Ask **SERVICE** if you have problems to solve connected with your army or navy experience.

In fact, when you're in doubt ask **SERVICE**.
