And they'll sit down to camp down in Florida.

00:01:31 Speaker 1

Yeah.

00:01:37 Speaker 1

To replace the training center, 18 weeks of intensive training to take the place of the electron being killed captured the wind.

00:01:47 Speaker 1

And what was his job assignment?

00:01:50 Speaker 1

That could be a document, OK and did.

00:01:53 Speaker 2

You see on.

00:01:53 Speaker 1

That yes, it did and tell me.

00:01:56 Speaker 1

Where you at?

00:01:58 Speaker 1

Have a good.

00:02:01 Speaker 1

But more important for us.

00:02:08 Speaker 1

And.

00:02:12 Speaker 1

You want to tell me about the? Yes, I do. OK.

00:02:20 Speaker 1

And I get very saddened. I got a little threatened and the children.

00:02:25 Speaker 1

And then earlier.

00:02:28 Speaker 1

Someone still there? So that recently some of the stuff was coming out and getting in the teeth set.

00:02:38 Speaker 1

Raise payment, right?

00:02:43 Speaker 1

And that's all it was too that I continue that.

00:02:48 Speaker 2

OK.

00:02:50 Speaker 1

And what happened then?

00:02:53 Speaker 1

So let's see. Well, we have day-to-day and so forth.

00:03:02 Speaker 1

We're not starving thing that happened to the lonely world. What? My little brother.

00:03:09 Speaker 1

Let me be a person.

00:03:11 Speaker 1

And building life for better home 75 now.

00:03:19 Speaker 1

You will live alone with hot and cold.

00:03:27 Speaker 1

And the manufacturer.

00:03:29 Speaker 1

We can't replace the window after work. Well, spend the night together.

00:03:38 Speaker 1

OK, he is younger than me.

00:03:49 Speaker 1

Tom Brokaw, covered in his book at yes, OK, and absolutely.

00:04:03 Speaker 1

Would you estimate during that campaign in France we do you?

00:04:07 Speaker 1

Have any idea what it would be?

00:04:09 Speaker 1

But there was a substantial number.

00:04:14 Speaker 1

About a couple of your most unusual experiences.

00:04:20 Speaker 1

Well.

00:04:22 Speaker 1

The last day I was in combat with was my most memorable.

00:04:27 Speaker 1

Experiences.

00:04:30 Speaker 1

We were given a sign that have taken this little time.

00:04:34 Speaker 1

Room for it.

00:04:37 Speaker 1

And.

00:04:38 Speaker 1

More more.

00:04:40 Speaker 1

The two.

00:04:42 Speaker 1

Was separated from the relatively company.

00:04:46 Speaker 1

To take some more to it.

00:04:49 Speaker 1

The catch is that they captured it and took it from the Germans and catch a lot of poorness.

00:04:55 Speaker 1

And.

00:04:58 Speaker 1

Let's see.

00:05:00 Speaker 1

And the presence will be estimate your your capture that day.

00:05:03 Speaker 1

Well, we could say, well, I don't know what the more output maybe 15 to 20 right there in that spot.

00:05:10 Speaker 1

And what did you do with the?

00:05:11 Speaker 1

Prisoners, once you captured.

00:05:13 Speaker 1

They were sent back to the real stock stockades.

00:05:19 Speaker 1

Tell me about.

00:05:19 Speaker 1

The second time you were wounded, the.

00:05:22 Speaker 1

OK. And the second time as needed.

00:05:28 Speaker 1

Well, that, that that was the start of that day. We take try and take the lead.

00:05:35 Speaker 1

And.

00:05:36 Speaker 1

We went through the town and.

00:05:39 Speaker 1

Uh.

00:05:43 Speaker 1

And in a ball and so forth.

00:05:51 Speaker 1

You should read about it more across the.

00:05:55 Speaker 1

And then I took my turn to there.

00:05:59 Speaker 1

He shot me.

00:06:01 Speaker 1

Hitting the table.

00:06:03 Speaker 1

Or.

00:06:05 Speaker 1

Not the bad, but it didn't hurt for the simple reason that just pricing that.

00:06:14 Speaker 1

I was getting rid of some extra legs that was carrying.

00:06:18 Speaker 1

Educate, such as that as it wasn't used far out there.

00:06:22 Speaker 1

And that would carry all the nations that would be a which consists of.

00:06:28 Speaker 1

Uh.

00:06:31 Speaker 1

Trying to figure out who they were.

00:06:36 Speaker 1

6 magazines or BR combination and I raised the strapped up around my head and I said right by me. I said I'm going to get rid of that. You would want to listen. We could take out and put them in one trip.

00:06:56 Speaker 1

Yeah.

00:06:58 Speaker 1

For just a few minutes after that, he shot himself both arms.

00:07:03 Speaker 1

OK.

00:07:04 Speaker 1

Though.

00:07:04 Speaker 2

OK.

00:07:05 Speaker 1

And bring me the sharp move.

00:07:08 Speaker 1

Who got the better?

00:07:10 Speaker 1

And I can't let the pass away hit me too, but it didn't work.

00:07:15 Speaker 1

And I really got some short tails and so forth and jackets and everything. And they went to scratch on.

00:07:22 Speaker 1

Then.

00:07:23 Speaker 1

After a little while to read with the recognition. What what?

00:07:32 Speaker 1

Read it.

00:07:34 Speaker 1

And that was in clips who had arrived.

00:07:39 Speaker 1

When I started to take it and throw it down the ground, right and then and I changed my mind and kit and that kept me from getting bleeding right. But.

00:07:47 Speaker 2

OK.

00:07:54 Speaker 1

And a few minutes after that, we would take this.

00:07:59 Speaker 1

Road will go through the big general ball.

00:08:04 Speaker 1

And what we truly are, things this big open space out there.

00:08:10 Speaker 1

And let's sit down and move that thing. They cut it loose on both sides of us with the machine gun.

00:08:18 Speaker 1

And.

00:08:19 Speaker 1

Where the boat?

00:08:22 Speaker 1

Hit me.

00:08:24 Speaker 1

And uh.

00:08:27 Speaker 1

And when I hit the ground.

00:08:30 Speaker 1

Because that couldn't couldn't do anything.

00:08:34 Speaker 1

And as soon as it came back and his weapon with his Edward was.

00:08:40 Speaker 1

With two of them.

00:08:42 Speaker 1

And he said he's having trouble with it with shoot. And I said, well, I'll trade you now for that. And I guarantee you pulled 100 times and you have 500 times and never quit.

00:08:55 Speaker 1

I said, well, let them give it to them and trade it to you for something. So I started off with doing trade yesterday back then.

00:09:03 Speaker 1

I put it over there but can't see the road from me. I said I have to drive me over there and I'll trade weapons with which will do that for us. The last to about 14 weeks. And now with that quarter.

00:09:16 Speaker 1

So he drove over there and took my rifle, left me his inoperable.

00:09:22 Speaker 1

For the.

00:09:23 Speaker 1

A few minutes after that, a German medic came by.

00:09:28 Speaker 1

And give me first aid and save my life.

00:09:35 Speaker 1

That a little bit, but not more.

00:09:41 Speaker 1

And he said.

00:09:44 Speaker 1

Ohh really?

00:09:46 Speaker 1

You get it through your pack. That's the pieces.

00:09:51 Speaker 1

But if there's anything more you can help.

00:09:55 Speaker 1

And so we sat down and ate them. See lessons or something there and let me work on me, he said. I think he did a wonderful job, but let him do it.

00:10:09 Speaker 1

And the the GI that.

00:10:12 Speaker 1

With television now your mate is right over there. Report about 10 feet. Promise that he's over updated.

00:10:19 Speaker 1

That he was strapped down, working on a wounded soldier.

00:10:24 Speaker 1

And he was.

00:10:27 Speaker 1

Killed a broccoli instantly.

00:10:30 Speaker 1

It must be shot in the face or something because he said he fell down on the roof.

00:10:35 Speaker 1

And we were him off and finished working on before on the bus until about when he will live and he's gonna make it.

00:10:44 Speaker 1

And so we're running out of everything.

00:10:47 Speaker 1

So look at that balance that he had left and then stripping off to build balls to him.

00:10:54 Speaker 1

Rested.

00:10:58 Speaker 1

So given the I thought was never going to take them a while and stick it in the ground, and putting a piece together, but they did piece that maybe they didn't have any goes the button that I would do.

00:11:12 Speaker 1

And.

00:11:13 Speaker 1

What's left from about 2:00 this afternoon late in the afternoon, I was still conscious.

00:11:21 Speaker 1

And I saw a fella.

00:11:23 Speaker 1

I saw a good quarter mile away from and of course that the way he feeling the American what it was, I didn't care. I didn't really care to get his attention.

00:11:35 Speaker 1

And he finally.

00:11:37 Speaker 1

Went back to the room and they look for 5 minutes and they disappeared for 10 minutes and they came back out. They had to stretch it.

00:11:48 Speaker 1

So when we got there are too many that that was this the time that you got OK with the machine with the machine.

00:12:00 Speaker 2

OK.

00:12:08 Speaker 1

He shot on the right side when we went to the cable right leg.

00:12:12 Speaker 1

And what what the?

00:12:14 Speaker 1

Through the left side, right side.

00:12:18 Speaker 1

To the outside.

00:12:22 Speaker 1

People both times, I have to say one day later on, right and he said he did that. How far did?

00:12:41 Speaker 1

So about it for a minute, he said. In fact, you would have to get your surgery to suit you. That activity, the only way you could be shot that again without being killed.

00:12:52 Speaker 1

So when he fell, came down there with distraction.

00:12:59 Speaker 1

His exact words to this, but you came to spend the night outside in the bath.

00:13:09 Speaker 1

And I said, well, you also telling me I will do it first. I take the time, he said I tell you that too, because he would not have made it to the marble.

00:13:19 Speaker 1

And.

00:13:21 Speaker 1

So delegate the city to take me back into the woods.

00:13:28 Speaker 1

Well, this is actually a good quarter now and they will fill the barn up with Rudy service to fill the bone to pick up on stuff.

00:13:38 Speaker 1

They didn't put me in the building. They put me directly on my Jeep because I was hurt pretty bad.

00:13:45 Speaker 1

And.

00:13:47 Speaker 1

And it went about 3050.

00:13:53 Speaker 1

Spoken word, but still 1.

00:13:57 Speaker 1

Took me up, took us off about and put us on a record scale. We've got twice as big.

00:14:03 Speaker 1

And.

00:14:04 Speaker 1

What about the we've got stuffed up so then they told me, not me.

00:14:13 Speaker 1

Call me back.

00:14:16 Speaker 1

Couple miles back in the rear and putting the same down or left on yesterday morning at 5:00, putting the same bar that night about midnight.

00:14:27 Speaker 1

And.

00:14:28 Speaker 1

At that point in time, it was just a dirt flow. It they had their drinking liquor, bad snaps and beautiful lips and cigarettes and.

00:14:38 Speaker 1

The.

00:14:39 Speaker 1

The boat rolled down on the ground smoking and it looks so good. All the smoke and laugh.

00:14:48 Speaker 1

Then.

00:14:50 Speaker 1

That.

00:14:53 Speaker 1

Into build dot Power station, right down to you.

00:14:57 Speaker 1

And the uppers on the road.

00:15:00 Speaker 1

And they want to get the doctors when he gave him sitting pillow cars, they got. And that's one thing that.

00:15:09 Speaker 1

So you could say 1-2, maybe 3, but yeah, looked up out of that.

00:15:17 Speaker 1

Anyway.

00:15:19 Speaker 1

The river came up during the night. They had to meet us out and put us on top of the bridge, the whole place.

00:15:26 Speaker 1

That 100 days well.

00:15:29 Speaker 1

But it was a few more days, so I haven't got back into a big fat hospital and done so thanks.

00:15:37 Speaker 1

And that's when I had the pleasure of beating Joe.

00:15:43 Speaker 1

That can be new with a.

00:15:46 Speaker 1

Female.

00:15:48 Speaker 1

Cats and I believe it was and a female.

00:15:52 Speaker 1

Cool.

00:15:54 Speaker 1

Malco.

00:15:58 Speaker 1

And.

00:16:00 Speaker 1

With about 25 of us around the room, just a big room that helpful to the next.

00:16:08 Speaker 1

There was not one stick structure in it.

00:16:12 Speaker 1

That's affecting inside the gate with the water on the floor.

00:16:18 Speaker 1

After what happened to me and I told him, he said don't talk, don't let me feel like.

00:16:35 Speaker 1

So he he could really keep going too.

00:16:47 Speaker 1

The ball out next to them on the.

00:16:50 Speaker 1

Floor.

00:16:51 Speaker 1

What happened if you want and I have to tell you exactly what the bear said.

00:16:56 Speaker 1

He said well serving the backs and cross this open field and got pinned down by machine gun fire.

00:17:03 Speaker 1

When you said turned down there put me with the oil.

00:17:08 Speaker 1

Just float up in the air and the bottom half of the floor about the third floor.

00:17:15 Speaker 1

He went up there, came back and creating the feed and cussing and broke and run. And the last thing he said when he took it down the last time, well, and all that build up to me.

00:17:30 Speaker 1

32 ladies and that first time I ever heard about that long.

00:17:42 Speaker 1

Hello.

00:17:44 Speaker 1

I wanna say that one thing that you asked me this.

00:17:50 Speaker 1

Uh.

00:17:53 Speaker 1

I don't remember one thing that happened after he got here. He would have to start lifting it and he would have to stop the man.

00:18:04 Speaker 1

I believe if the boy I hate was not helping you to stop him.

00:18:10 Speaker 1

Red.

00:18:13 Speaker 1

When he went out there, I don't remember him going out the door and the three outs are good.

00:18:22 Speaker 1

That's the point in time to start doing enough about him being so very hard to do that.

00:18:29 Speaker 1

I remember nothing about that hospital.

00:18:32 Speaker 1

And I don't know who it was, but there is a 7 days. Somehow, two days later.

00:18:44 Speaker 1

Really.

00:18:45 Speaker 1

And that is a Willow terminal.

00:18:48 Speaker 1

And they would check this out there.

00:18:51 Speaker 1

And I wouldn't Tigger the table.

00:18:58 Speaker 1

To to send me to.

00:19:02 Speaker 1

They will put windows.

00:19:07 Speaker 1

I forgot what was wrong with that. People do in the hospital, so that's something that they want to keep them.

00:19:16 Speaker 1

If you do 3 or 4 minutes.

00:19:20 Speaker 1

And send it back to the UK which you want a kidney today.

00:19:25 Speaker 1

And then if you're going back to the states, there will be 6 months or more it be two, which is built over USA.

00:19:35 Speaker 1

But I had never met him about how I got to this New Forest.

00:19:41 Speaker 1

And there was a shipment to.

00:19:45 Speaker 1

Simply buy weather to Paris.

00:19:49 Speaker 1

And it was in the airport which airport it was. But the hospital there.

00:19:59 Speaker 1

And a great big tremendous thing elected to hear this and.

00:20:04 Speaker 1

And I fell far down the airport here.

00:20:09 Speaker 1

Moon blue.

00:20:13 Speaker 1

And the back of his head back here.

00:20:16 Speaker 1

I said I know that man. That was my fault. You can bury the cat and smile.

00:20:23 Speaker 1

Yeah.

00:20:23 Speaker 1

I said captain smile. Really, really good looking.

00:20:31 Speaker 1

He got got on his Christy Turner left to me and told me how he got movies that you felt him around the little pool.

00:20:39 Speaker 1

To get that better app to it and you can't.

00:20:46 Speaker 1

Who went through the William Towel with private?

00:20:50 Speaker 1

And we can't will be called have have left it.

00:20:56 Speaker 1

And to set the wall with your car to come and take charge.

00:21:02 Speaker 1

Who? Who took it because the captain had been shot.

00:21:08 Speaker 1

And so.

00:21:11 Speaker 1

When 2 little boys step down is that you could always do it two times. This man always claimed that he loved the fact he's really small on the side.

00:21:23 Speaker 1

So.

00:21:25 Speaker 1

I will go through the Main Street. There have no phone, my bag and milk. When you come home and have the sheep that so.

00:21:36 Speaker 1

Over your image.

00:21:38 Speaker 1

And he said, what bad? When he will sell bits instead of getting ready to get out there and shot the back behind with you. He was tested for shooting behind me.

00:21:50 Speaker 1

And.

00:21:52 Speaker 1

But that thing about the husband and who lived through the world, by the way he did.

00:21:57 Speaker 1

Live through the wall.

00:22:00 Speaker 1

Rosie in the combat situation.

00:22:08 Speaker 1

What kind of pressure or stress did you feel? You know, when you were in the, in the heat of combat combat? What kind of pressure do you feel or stress?

00:22:19 Speaker 1

That's why I described, but that's what's go ahead on this.

00:22:23 Speaker 1

I recommend you describe that.

00:22:35 Speaker 1

I have to get her in there.

00:22:38 Speaker 1

I hear people speak this that way and I say well.

00:22:42 Speaker 1

I was doing the one time of picking up German bird after going.

00:22:48 Speaker 1

Not that good. I did good time catching several cheating, he said.

00:22:58 Speaker 1

They got a school, you know, retail have here in California.

00:23:17 Speaker 1

But.

00:23:22 Speaker 1

I would I would get a Purple Heart and you know, for the second time. And I also have come back, which is actually lower than the Purple Heart because you have at least 30 days to make.

00:23:41 Speaker 2

The ones for the service too. You know, like the aviated Pacific. You know, that sort of stuff. Or in this case, it would be.

00:23:51 Speaker 1

Those couple of nails in there forgot what the color.

00:23:56 Speaker 1

The second bill in the rate.

00:24:02 Speaker 1

You had the European, African Middle Eastern ribbon is one of them for sure, but this time they have to be in Germany during that combat season.

00:24:08 Speaker 1

Right.

00:24:22 Speaker 2

And the service.

00:24:23 Speaker 1

Well, basically picture in the pocket, right? We've been married 30 years at that point in time.

00:24:33 Speaker 1

Riddle.

00:24:35 Speaker 1

Little habit.

00:24:53 Speaker 1

What happened after that? Did you come back to the states or did you go back?

00:24:58 Speaker 1

About.

00:25:02 Speaker 1

Not all that kind of stuff.

00:25:15 Speaker 1

Doing training everything up as a couple and that that was the only time that that changed significant than that.

00:25:32 Speaker 1

Party car.

00:25:35 Speaker 1

Right. So when you started and we were in the same room.

00:25:46 Speaker 1

It was still there, but my interpretation was there after. After I got hospital.

00:25:58 Speaker 1

Well.

00:26:01 Speaker 1

Let's see what we're trying to say about it. Oh.

00:26:04 Speaker 1

The car is gone.

00:26:06 Speaker 1

But really that recently where it's still there, but you might have found it later that I was there with the war when I got out the hospital.

00:26:15 Speaker 1

Went back.

00:26:19 Speaker 1

He went back to.

00:26:21 Speaker 1

Ballet.

00:26:22 Speaker 1

That we have shipment that would be that, that that shipment and that through the system without action. So we got to turn around, go back to South and up through the swap ships and try it again while we got to use more than just that. But April the 12th of 19.

00:26:43 Speaker 1

That.

00:26:44 Speaker 1

And.

00:26:48 Speaker 1

And by the way, the last day that they have the election.

00:26:56 Speaker 1

With Election Day Tuesday and we go back to before that, they got moved the day after. That was the day that we got when the last time they told me the first time there was something else.

00:27:11 Speaker 1

Oh.

00:27:12 Speaker 1

The the little city of Tokyo and I I more or less some thought to that little time. I love you.

00:27:19 Speaker 1

They put me there.

00:27:22 Speaker 1

The thing and they sent me over to the motor for you and gave you that 6 by 6 trucks and that's your truck.

00:27:36 Speaker 1

We want you to drive it down to the railway station and get some of the where case. At that time I just got some airplane parts.

00:27:48 Speaker 1

And have John provided you all the work that they're going to trip from that drove it back.

00:27:54 Speaker 1

They determined that no, but what falls every day and.

00:28:00 Speaker 1

With the help yourself.

00:28:04 Speaker 1

The.

00:28:05 Speaker 1

Have to wear daughter each day.

00:28:08 Speaker 1

And then return it back to.

00:28:11 Speaker 1

TV stop playing.

00:28:18 Speaker 1

German.

00:28:29 Speaker 1

And.

00:28:33 Speaker 1

Development to have to take it out because.

00:28:48 Speaker 1

They'll do it for about four or five days.

00:28:53 Speaker 1

I've been on radio stations. It's about a mile away and there's a little warm and all the rate we're going to have to put back together.

00:29:08 Speaker 1

And that thing really beat me to death. It hurt my legs a bit, like getting well and I let the basic life and haste and so forth.

00:29:23 Speaker 1

And.

00:29:27 Speaker 1

The business.

00:29:31 Speaker 1

So.

00:29:34 Speaker 1

I said, well, the major I said maybe I had a problem here, he said. What's your problem? He said. Well, I told. I said, well, I got shot and broke my legs.

00:29:46 Speaker 1

And I can't have it work. I can't hear it working, but I can't and I don't want something. Maybe got rid of the killing deer.

00:29:55 Speaker 1

And I said that thing back beat me to death and I said better. Well, I don't have a driver's license driving, trip trip. So I don't know how to do that with you.

00:30:14 Speaker 1

Put the build up in the warehouse and the hazard.

00:30:18 Speaker 1

To put the special combat over you.

00:30:23 Speaker 1

Which I appreciate that I'll get to work.

00:30:25 Speaker 1

Getting out at all.

00:30:29 Speaker 1

Where did I come home.

00:30:42 Speaker 1

Let's see. I came back home.

00:30:52 Speaker 1

20.

00:31:00 Speaker 1

Just started only 28.

00:31:03 Speaker 1

This says.

00:31:05 Speaker 1

April.

00:31:09 Speaker 1

Here.

00:31:12 Speaker 2

Forever.

00:31:14 Speaker 1

Yeah.

00:31:18 Speaker 1

Same here.

00:31:32 Speaker 1

Keep in touch.

00:31:34 Speaker 1

E-mail did you get home? The letters and that?

00:31:42 Speaker 1

E-mail.

00:31:45 Speaker 1

Yeah, well, I've got some of those. I've got some choices.

00:31:51 Speaker 1

I would like.

00:31:53 Speaker 1

For you.

00:31:56 Speaker 1

And it was a crude thing being heated or something.

00:32:04 Speaker 1

The picture we will, we will. We'll make another picture of it and whether it to my baby brother and my mom and dad and so forth, every member of my family live at that point.

00:32:17 Speaker 1

Those letters that you don't have. Yeah. And we do those some of those. OK, that's good.

00:32:35 Speaker 1

And then that this continued at that time, I should have been started.

00:32:42 Speaker 1

We're sending over to the.

00:32:50 Speaker 1

Who?

00:33:02 Speaker 1

Where is terrible, but the truck driver.

00:33:22 Speaker 1

The baby got worked out the cigarette for both.

00:33:27 Speaker 1

I gotta smoke. So that did not worry me. I'm sorry, but I got to go back to sleep.

00:33:37 Speaker 1

We're going to the video.

00:33:41 Speaker 1

Four or five weeks room. And that was him. But I didn't want to trade him anything. They came up with some hard.

00:33:54 Speaker 1

Call call. We did not say it would be good to come back.

00:34:05 Speaker 1

Well.

00:34:07 Speaker 1

That was some of the products that we had was approved on each other while we were in the military.

00:34:17 Speaker 1

But we didn't put in place some plug, but before it was too serious of him. But yeah, but that calculated the squirrel.

00:34:31 Speaker 1

That's.

00:34:34 Speaker 1

Stick to it and see.

00:34:46 Speaker 1

Get that?

00:34:48 Speaker 1

Nothing left those cigarettes and.

00:34:53 Speaker 1

And the other lands and such as that which we save that strength to supply.

00:35:00 Speaker 1

When the rubber cigarette for 1215%.

00:35:05 Speaker 1

4.

00:35:07 Speaker 1

The sea Lions was a kind of Harris corned beef hash.

00:35:14 Speaker 1

They cannot report that things, in fact that we because the truck driver.

00:35:33 Speaker 1

Hash where you have block.

00:35:43 Speaker 1

And you got rid of that and you maybe you could eat that.

00:35:48 Speaker 1

But it was hard. Very hard.

00:35:54 Speaker 1

And you're gonna get so many cans a day.

00:36:00 Speaker 1

He came out and killed actions, watch paper box about like the popcorn box. Like they got popcorn.

00:36:11 Speaker 1

And it had.

00:36:13 Speaker 1

A figured piece of cheese in it and.

00:36:16 Speaker 1

These seats of toilet station two or something like that.

00:36:26 Speaker 1

The.

00:36:29 Speaker 1

They brought the shower equipment up to us two times. I'm gonna get the two showers.

00:36:36 Speaker 1

Go back, go back.

00:36:42 Speaker 1

It was so beautiful.

00:36:45 Speaker 1

And they really you see it like you see it and you got time you got seeing.

00:36:55 Speaker 1

Water between the bus, how hard it before you get a bath. Got two of those.

00:37:03 Speaker 1

That there was a few times that we had it. We were stationed.

00:37:08 Speaker 1

It's the time of morning. Good.

00:37:11 Speaker 1

And.

00:37:14 Speaker 1

And who is we require we built from the shoreline 2 days and nights when we come back, spend one night and day.

00:37:27 Speaker 1

Scrubbing.

00:37:30 Speaker 1

Suffered the head of the bag. I slept one night with the class and horse and downstairs instead of the upstairs sitting right behind.

00:37:41 Speaker 1

Where are you? Where are you?

00:37:44 Speaker 1

Have you think about the officers and your fellow soldiers?

00:37:50 Speaker 1

I have the houses fit for my office, have two colors and charge them after two and.

00:38:03 Speaker 1

Listen, the captain saying well.

00:38:07 Speaker 1

Paul smaller through the wall.

00:38:14 Speaker 1

Not the two, the retailer.

00:38:18 Speaker 1

I was trying to ride home.

00:38:20 Speaker 1

And tell me what app that I was in the boat that would be really smart.

00:38:27 Speaker 1

And he called up and caught to look in there and he can't put that in there.

00:38:32 Speaker 1

So we took the razor blade and killed that. We found what better way to do it?

00:38:38 Speaker 1

His name is Curtis and I have no.

00:38:46 Speaker 1

The boy was ground up in my thoughts too, but couldn't you do that?

00:38:52 Speaker 1

And he better left as well.

00:38:54 Speaker 1

And he will.

00:38:56 Speaker 1

Have I read this thing? I've read it too.

00:39:00 Speaker 1

He said no, you didn't have to go to.

00:39:13 Speaker 1

Weather.

00:39:16 Speaker 1

He got sacked.

00:39:20 Speaker 1

They put, they put us in the side so that we wouldn't be able to get to the back.

00:39:39 Speaker 1

About.

00:39:41 Speaker 1

I said I'm getting scared the morning.

00:39:43 Speaker 1

Here, here, here, here, here, in the distance. And so the two right.

00:39:55 Speaker 1

And I went to myself and scared the man. But I'm not really going to.

00:40:00 Speaker 1

That will happen.

00:40:03 Speaker 1

Read between alone.

00:40:05 Speaker 1

And so.

00:40:07 Speaker 1

Just two back two days after that, there were two day he was killed and the side going to stay. Stand guard well and take a nap.

00:40:23 Speaker 1

And.

00:40:26 Speaker 1

He took me in.

00:40:28 Speaker 1

It's an early one morning letting quack let me fat and going through the night and got good sleep.

00:40:46 Speaker 1

And they will be required to put up the rocks down to the next.

00:40:57 Speaker 1

We had a rapper girl, but he did it.

00:41:16 Speaker 1

Which he said look, not it.

00:41:23 Speaker 1

Listen, lady, let's go back to the other. You said you were released in Georgia.

00:41:33 Speaker 1

And what to do the days and weeks after you got back home? You know, once you were discharged and got back to Macau, what'd you do?

00:41:49 Speaker 1

Me.

00:41:54 Speaker 1

The ball.

00:41:56 Speaker 1

What?

00:42:10 Speaker 1

I see that in 82 or 84.

00:42:24 Speaker 1

Do you make any close friends while you're in the service?

00:42:37 Speaker 1

Copy that place for real.

00:42:42 Speaker 1

While we were there.

00:42:44 Speaker 1

And look at this. We just.

00:42:47 Speaker 1

That's as far as six years ago. That's it. Did.

00:42:54 Speaker 1

Jerk.

00:42:59 Speaker 2

George.

00:43:04 Speaker 1

But I think here is that being really being.

00:43:08 Speaker 1

I bought some. I bought back some choice weapons. I bought some back, some children, baby.

00:43:14 Speaker 1

1915 miles, which could possibly.

00:43:24 Speaker 1

And.

00:43:26 Speaker 1

Not be here, except when they trade. He he got just about the better than before.

00:43:34 Speaker 1

That's everything the same route.

00:43:39 Speaker 1

When you get ready to come home, when I got ready to come home, I knew that was. Why was that there?

00:43:48 Speaker 1

You want to pay.

00:43:52 Speaker 1

Convert about French francs over to American dollar.

00:44:01 Speaker 1

\$1.00 bill.

00:44:27 Speaker 1

You take a shower.

00:44:39 Speaker 1

And the other people that you get in contact with that you've lived in the military?

00:44:44 Speaker 1

Yes.

00:44:45 Speaker 1

I've got really concerned about him, for I think it's got cards with in this city.

00:44:52 Speaker 1

He was killed.

00:44:58 Speaker 1

Don't do that with me. Do that with me.

00:45:04 Speaker 1

You're talking about the.

00:45:10 Speaker 2

OK.

00:45:23 Speaker 1

That point.

00:45:28 Speaker 1

And I was really into him there, watched me trying to go out there to go to see.

00:45:42 Speaker 1

I got talking this. He just a little and he went about 1718 years.

00:45:47 Speaker 1

And so I got talking to him there. And so the train came together.

00:45:59 Speaker 1

When we get to the Baltimore.

00:46:04 Speaker 1

And the process is out there.

00:46:07 Speaker 1

They call that horn killer all *****.

00:46:10 Speaker 1

He was in line, felt that the home we stayed together and shipped overseas.

00:46:20 Speaker 1

When we get the, we get the women well.

00:46:28 Speaker 1

Service.

00:46:30 Speaker 1

A lot that came through on that train.

00:46:34 Speaker 1

Tell us about.

00:46:37 Speaker 1

We're not feeling triple we used to.

00:46:46 Speaker 1

They did that.

00:46:50 Speaker 1

244.

00:47:01 Speaker 1

We are here. We have somebody meatball.

00:47:11 Speaker 1

And so 2 girls are sitting there and let's try it out and I raise my hand and they raise their hand.

00:47:22 Speaker 1

Chinese waiters.

00:47:25 Speaker 1

And we work with the meat market we before, except for the black spots on the front of it.

00:47:36 Speaker 1

I've got chicken wing sauce.

00:47:55 Speaker 1

And fix and go fix yourself. You have to bring it through. They fix it then that's all that stuff.

00:48:10 Speaker 1

Really switch it.

00:48:11 Speaker 1

On and never got out of my book.

00:48:17 Speaker 1

And I stayed sick for 11 days and nights and felt I was going to die.

00:48:27 Speaker 1

Get back to.

00:48:30 Speaker 1

He didn't join doing that and so.

00:48:43 Speaker 1

Uh, they they they go about their arms and apple and two bits, so we get one or two slash the bills after 8 days.

00:48:55 Speaker 1

When you get there.

00:48:57 Speaker 1

The Indian.

00:49:03 Speaker 1

We have to get off the ship here, walk the the courthouse and get on the.

00:49:09 Speaker 1

Trying to get on to say better than that, that really fit that without through Scotland.

00:49:15 Speaker 1

So.

00:49:19 Speaker 1

By the lines Marissa.

00:49:27 Speaker 1

Get better now.

00:49:30 Speaker 1

With the forest.

00:49:32 Speaker 1

We stayed together till we get water. Get get ready to be in combat and we put it in.

00:49:41 Speaker 1

That was on September the 14th of 21 four.

00:49:46 Speaker 1

When I asked him the question you baby, you're going to visit me. Did they be good to see you?

00:49:55 Speaker 1

I asked the question when based on your vehicle.

00:49:59 Speaker 1

I could have told me and admit it about your feelings that day. She's willing to come back.

00:50:09 Speaker 1

And he said, well, the all this day that this is getting shot, he got shot now.

00:50:15 Speaker 1

He's got Wilson getting shot.

00:50:18 Speaker 1

That said, you do exactly how a.

00:50:25 Speaker 1

Tell me that he's your friend.

00:50:31 Speaker 1

That's exactly.

00:50:36 Speaker 1

Nine. Sorry, save it. We got to send me in here. We got about two or three.

00:50:44 Speaker 1

That was black and golden, or two close combat.

00:50:52 Speaker 1

Or two, combining our two, doing that and hit right when you're all at the same time.

00:51:00 Speaker 1

That's exact reliability.

00:51:11 Speaker 1

My brother said.

00:51:18 Speaker 1

And.

00:51:25 Speaker 1

I went through his replacement scene of trash. He was in the.

00:51:30 Speaker 1

Well, look through that. He hired the replacement such as that because he took me in the past and he really wanted to go.

00:51:42 Speaker 1

Back.

00:51:43 Speaker 1

So we gotta get him the burgers in the.

00:51:47 Speaker 1

Have the proper around the buildings, it really fast and it was in below in the suburbs of Paris.

00:51:54 Speaker 1

We recognize speech support, but look at that million people cross the street.

00:52:07 Speaker 1

Google.

00:52:09 Speaker 1

I didn't think about 8 times.

00:52:17 Speaker 1

Had a long continued relationship even after the war. Yeah. Yeah. I'm sorry, Sir. That's that's really good. Good, good, good. OK, so.

00:52:29 Speaker 1

You have to tell me what service organizations you joined after you got back home.

00:52:35 Speaker 1

Well.

00:52:39 Speaker 1

The English language too.

00:52:44 Speaker 1

People joined American Legion right after we came home.

00:52:49 Speaker 1

And.

00:52:51 Speaker 1

When I joined the DAV.

00:52:55 Speaker 1

And.

00:53:01 Speaker 1

I want to join the Purple Heart and I think they have a.

00:53:07 Speaker 1

But I'm not sure about the e-mail.

00:53:12 Speaker 1

Did you tell me? Where did you turn?

00:53:25 Speaker 1

And I really hit 3 bullets in village.

00:53:30 Speaker 1

2:18.

00:53:33 Speaker 1

The 17th, 18th and 19th right, that's what it is to be.

00:53:41 Speaker 1

So I hit the 3/18.

00:53:43 Speaker 1

Paul smart, CHEMAL.

00:53:50 Speaker 1

And then I told it, and then I said no, I'm sorry. It's not my name.

00:53:54 Speaker 1

So we will do it for she will let you about 30 minutes ago and he would little bit that highlight that time.

00:54:03 Speaker 1

I stayed in contact with and I called him and waiting at time of two that This is why they will be car.

00:54:16 Speaker 1

Are those in the early 50s decision where they have left the Union?

00:54:23 Speaker 1

They gave him the first time he built at the moon.

00:54:27 Speaker 1

And.

00:54:30 Speaker 1

And here the flag.

00:54:33 Speaker 1

Inside the little bubbles and you gotta have to leave the.

00:54:39 Speaker 1

They heard the first time.

00:54:43 Speaker 1

Where is his wife?

00:54:46 Speaker 1

Just car.

00:54:52 Speaker 1

And.

00:54:53 Speaker 1

So that's what I want to pursue.

00:54:56 Speaker 1

That he might have had separate thoughts about you.

00:55:01 Speaker 1

I I was. I was just thinking about that thing so.

00:55:07 Speaker 1

About, you know, the room, you know, in his care, which he didn't. He didn't get anybody killed. But I would be a bit surprised.

00:55:20 Speaker 1

Some of the heart of the resentment that he's sitting on certain broken legs or something like that. So I don't like to advertise too much.

00:55:32 Speaker 1

That he had a radical story in one of the Veterans magazine.

00:55:40 Speaker 1

That.

00:55:45 Speaker 1

OK.

00:55:50 Speaker 1

2.

00:55:53 Speaker 1

And I thought it's bad. Please don't do and I got the real issue at and I won't really get it and better car.

00:56:04 Speaker 1

Have written a story in there.

00:56:07 Speaker 1

About doing the better. The birds with that, this, that that is a horrible thing. But then you know that you're smelling ash 4-5 feet deep.

00:56:19 Speaker 1

They wanna play, they they are the shoes. They love the shoes, built the socks, made nothing but the fat Jim.

00:56:30 Speaker 1

Mobile 2.

00:56:43 Speaker 1

OK.

00:56:45 Speaker 1

The same day I was in the hospital and I was sent back to the evening, he sent both his arms.

00:56:55 Speaker 1

But they don't like me and I was trying to be helpful later, so I sent back in.

00:57:04 Speaker 1

And who said N8 to 4/4?

00:57:12 Speaker 1

When the dollar bill starts, it's about December the 16th before the four.

00:57:20 Speaker 1

He was sent back to, to to.

00:57:27 Speaker 1

What's the burger eat well.

00:57:29 Speaker 1

That was killed the first belt, December the 23rd of 34th, the two days before Christmas.

00:57:37 Speaker 1

And corresponded with his mother and his sister, his mother, mother.

00:57:44 Speaker 1

That was earlier.

00:57:48 Speaker 1

They won't. They won't. Christmas.

00:57:51 Speaker 1

And turn me ahead and look through it. We're gonna buy.

00:57:59 Speaker 1

The world.

00:58:02 Speaker 1

Sure.

00:58:06 Speaker 1

And when he saw that there killed him exactly the same day, December 23rd.

00:58:14 Speaker 1

Well, I might have left her a little bit of a car.

00:58:22 Speaker 1

Go back, he went to Boston.

00:58:26 Speaker 2

2nd.

00:58:32

OK.

00:58:34 Speaker 1

OK, the best thing.

00:58:43 Speaker 1

To find out whether the business is in the town, it is completely surrounded by junk.

00:58:49 Speaker 1

And do the ball the ball.

00:58:52 Speaker 1

And they did a good job. So you can pick up any two or two. And I forgot which one were.

00:58:59 Speaker 1

Serving in the American army in the city, she can get to go with you and we will get it right.

00:59:08 Speaker 1

So what? What time is it?

00:59:13 Speaker 1

I volunteered for that job.

00:59:16 Speaker 1

And he said that you did to help me right moment. So I told him you pick brother too.

00:59:24 Speaker 1

And he picked them back too far and they started going through the ice and snow tonight, and they went into bastone. How big is on December 23rd? Two or three days before Christmas. And that's when George.

00:59:44 Speaker 1

Will see that the prayer they got the proof.

00:59:53 Speaker 1

And they made copies of it and dropped out of open.

00:59:57 Speaker 1

With the good Lord to give us a pretty day so we could share the Germans and get over here.

01:00:17 Speaker 1

But he said.

01:00:21 Speaker 1

And go to German lodge and how we're going to do it with a uniform roll and white slip.

01:00:29 Speaker 1

They follow Jeremy Parish to report, which required white person and we both drink.

01:00:49 Speaker 1

When you get to the app scripts and real time Mexico, he said that how we will get their attention without getting the judges attention and how they let them know who we are because we don't need to pay it when they don't know the password.
