

NUMERICAL LISTING

of

APO'S

JANUARY 1942—NOVEMBER 1947

Prepared by

**ARMY POSTAL SERVICE
AND STRENGTH ACCOUNTING BRANCHES, AGO**

FOREWORD

1. This is the first of a series of three publications dealing with World War II APOs. This particular list shows the APOs in numerical order with their geographical locations arranged chronologically. The other two will list the cities in alphabetical order; the second being an integrated list irrespective of country and the third, a listing of the cities in each country, island group, etc.

2. The information contained herein relative to the geographical location of APOs was obtained from periodic reports received from overseas and it does not, in every instance, show each individual move that was made by some of the more mobile divisional APOs. The information is generally correct except for varying interpretations of the spelling of certain foreign cities.

3. An explanation of certain terms used herein, including abbreviated postmaster addresses, is given below:

A. Postmaster addresses

<u>Term</u>	<u>Definition</u>
MIA	Miami, Florida
MIN	Minneapolis, Minnesota
N.Y.	New York, New York
N.O.	New Orleans, Louisiana
P.I.	Presque Isle, Maine
S.F.	San Francisco, California
SEA	Seattle, Washington

B. Miscellaneous

FST	Finance service terminated i. e. money order and stamp sales discontinued. APO may operate as "mailing address" afterwards and it may be assumed that such is the case if location and dates are shown subsequent to an "FST" entry.
-----	--

TMA	Terminated as mailing address.
-----	--------------------------------

4. Appendix 1 shows the APO numbers used by the various Army groups, Armies, Corps and Divisions.
