RED'S STEAL A MARCH

The United Nations Organization spokesman stated that the atomic secret will not be forced from the U.S. However, a noted American Scientist stated yesterday that Russia already has invented a new atomic bomb of unbelievable power.

HINDU'S HAVE HORRIBLE HATE

Political unrest is again growing in India. The conflict is both internal and external. It is still India's desire for independence from Britain. The method of acquiring this independence that is troubling India most. Ghandi's passive strategy is drawing favor from the old people. However, the younger generation is demanding violent action against Britain for their independence.

BALKANS BALKING

In Bucharest, the Rumanian Government is continuing in its efforts to place the cabinet on a broader basis, in accordance with the decisions of the Moscow Foreign Minister's conference. American and British representati atives had talks with Prime MinistersGroza. A split is said to have occurred in the opposition party of Juliu Maniu, with dissenting elements declaring their intention of forming a party of their own and charging Maniu with maintaining an uncompromising position vis-a-vis Russia. What is my last word to you as your transport chaplain? Simply this! Jesus insists upon washing you clean from any "Travel Stains" which have been accumulating during your Army life or perhaps before. The most of us have taken unto ourselves habits, practises, attitudes, lowered ideals, etc. while in the Army that we should not take home with us. Think this over for a moment. What should I be cleansed from, in order to be my purest, best self to prevent to the dearest one on earth, my mother, wife, or sweetheart? Christ will forgive us and cleanse us. It's ours for the sincere asking. "If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness". Jnl:9

RALPHW. BLADGETT Transport Chaplain

Fellow Soldiers: As we return to our homes and civilian life once more, let's remember that we fought to make sure that the Democratic Way of Life shall survive against militarists and dictators, and that we have fought in vain unless we make Democracy work in America. We must all be interested in good government.

EMCRY D. STOKER Lt Col, Cavalry Troop Commander

It's been a great pleasure being the Captain of the ship that's taking you men home to civilian life. Here's wishing you smooth sailing on the road of life.

JOSEPH DIXON Captain, Colby Victory

Transport Service Section wishes to thank those who made this trip a success. We would especially like to thank the Band, all the entertainers, the USO Girls, the newspaper Staff, the radio men, the ship's artist, the P.A. men, the movie men, and Skinny Sommer and Capt Hill who both did fine jobs. Many thanks also are due to all those men aboard ship whose cooperation made the program a success. To each and every man a speedy return home.

ÉTNJAMIN ASLAN 1st Lt, Transport Service

The female contingent, courtesy USO Camp Shows, of the Colby Victory, would like to come out of the Isolation Ward to wish you good health and much happiness. We thank you for your friendly smiles and hospitality and for making our voyage home such a pleasant one.

U.S.O Girls

We are home at last, and our hearts are glad. We hope that that the Colby Combien gave you as much reading pleasure as it was for us to write it for you. If it gave you one extra laugh, one extra moment of pleasure, we are satisfied. The Colby Combien (how long) has become Colby eight days plus. The best of luck to you all.

COMBIEN STAFF

I wish to thank the Army personnel and ladies for their splendid cooperation extended to my staff and myself throughout the voyage. It was a pleasure to have you with us. May all the good things in life be yours and your well earned return to the United States be all that you expect.
